GAGE RECEIVES UNIFIED COMMUNICATION INDUSTRY'S TOP AWARD

*Technology Assurance Group
Recognizes GAGE as the Elite
Provider at STAR CON*

Baton Rouge, LA — December 3, 2013 — GAGE, a leading unified communications provider, announced today that the company received one of Technology Assurance Group's top awards at the association's STAR CON event held in San Diego in October. Technology Assurance Group (TAG), an international organization of independently owned unified communications companies in the United States and Canada, selected GAGE as the winner of the "Performance Excellence Award" for exceptional economic performance and superior customer satisfaction. GAGE was highlighted as a premier provider during a prestigious awards ceremony attended by TAG's Member companies and leading technology manufacturers.

The highly sought after awards, which are given out annually, are based on overall financial performance, customer satisfaction, and the ability to provide customers with cost effective unified communication solutions. "In 2012, GAGE experienced substantial growth outpacing their competition," said Brian Suerth, EVP/Partner of Technology Assurance Group. "GAGE' is committed to providing technology

solutions that increase their customers' profitability, improve employee productivity, and enhance brand image. GAGE has an amazing team of high talented individuals that drives their success. It was an honor to highlight such an outstanding company at our annual event."

"We're very proud of our organization and our ability to serve the Louisiana marketplace," stated Greg Wood, Vice President of GAGE. "We treat our customers' business as if it was our own and this approach has proven to be successful. The benefits we receive from TAG have enabled us to enhance our company and we're thrilled to have won this award."

ABOUT GAGE

GAGE was established in 1980 by Gregory A. Wood, Sr. The company's original mission continues today, which is to provide the very best products and services that enable its clients to increase their profitability, obtain a competitive advantage, and improve employee productivity. GAGE has served the Baton Rouge and South Louisiana business community for nearly 30 years through a culture of striving towards excellence and unparalleled commitment to customer service.

GAGE helps companies of all sizes simplify their technology

decisions with straight answers about everything from business telephone systems and computer networking to VoIP and voicemail services. The company conducts a complete needs analysis to ensure that each customer implements the right technology to meet their needs now and into the future.

GAGE has built a strong team of highly experienced and industry certified voice and data specialists. These individuals proactively assist customers through high level support and strive to exceed their expectations on a daily basis. The team is backed by a fleet of state-of-the-art service vehicles ready to respond to customer calls 24 hours a day, 7 days a week. GAGE has distinguished itself from the competition by becoming one of the region's leading telecommunications companies.
