

Jason Landry  
VP of Sales

## **Gage Invited To Technology Assurance Group's 17<sup>th</sup> Annual Convention**

*Leaders in Unified Communications  
Align to Hold Mastermind Meeting  
in Houston*

Baton Rouge, LA — February 28, 2017— Gage, a leader in unified communications, announced today that Jason Landry, VP of Sales of Gage, has been invited to attend the 17<sup>th</sup> Annual Technology Assurance Group Convention, an organization of dominant unified communications companies in North America representing \$350 million in products and services. The event brings together the most successful leaders in the unified communications sector, in order to elevate the industry as a whole, through the sharing of best business practices, CEO-to-CEO collaboration and exchange of viewpoints as the future of technology. The TAG Convention will held at the Royal Sonesta in Houston, Texas on April 2-5. The theme of this year's convention is "teamwork drives success". It will focus on the power of teamwork, which is suitingly situated at the nation's epicenter for space exploration.

"We're proud to have Jason Landry attend our event," stated

Brian Suerth, President of Technology Assurance Group. "Jason brings a tremendous amount of insight and we're thrilled to have him his views with our Membership. His contributions throughout the year to his fellow Members have raised the bar for every company in the technology space. In sum, we're honored to have Jason in attendance."

One of the keynote speakers at the TAG Convention is Colonel Richard "Mike" Mullane, a former pilot and astronaut who developed his expertise in leadership and teamwork through an array of combat reconnaissance missions in Vietnam and space shuttle missions for the United States. Colonel Mullane will be sharing his insights and collaborating with TAG Members in order to help advance their leadership and teamwork abilities.

Also in attendance will be North America's elite technology manufacturers. These providers will be delivering futuristic technology to TAG Members in order to accelerate the technological proficiency of small to mid-sized businesses. With their new

software, cloud computing and auxiliary equipment, businesses can anticipate strong growth in 2017.

"I look forward to attending this year's event and coming back with new ideas to improve our customer experience," commented Landry. "I believe that the better we understand teamwork, leadership and technological expertise, the more profitable our customers will become. We consider this event a privilege to attend, especially because of the high caliber peers and it also serves as a very effective way to keep our customers miles ahead of their competitors, sustaining their competitive edge through our delivery of futuristic technology."

### **About Gage**

Gage was established in 1980 by Gregory A. Wood, Sr. The company's original mission continues today, which is to provide the very best products and services that enable its clients to increase their profitability, obtain a competitive advantage, and improve employee productivity.

Gage has served the Baton Rouge and South Louisiana business community for nearly 30 years through a culture of striving towards excellence and unparalleled commitment to customer service.

Gage helps companies of all sizes simplify their technology decisions with straight answers about everything from business telephone systems and computer networking to VoIP and voicemail services. The company conducts a complete needs analysis to ensure that each customer implements the right technology to meet their needs now and into the future.

GAGE has built a strong team of highly experienced and industry certified voice and data specialists. These individuals proactively assist customers through high level support and strive to exceed their

expectations on a daily basis. The team is backed by a fleet of state-of-the-art service vehicles ready to respond to customer calls 24 hours a day, 7 days a week. Gage has distinguished itself from the competition by becoming one of the region's leading telecommunications companies.
