## **NEWS FOR IMMEDIATE RELEASE**

### **Gage Receives Industry's Top Award**

*Technology Assurance Group Recognizes Gage as the Elite Provider at their 18<sup>th</sup> Annual Convention*

BATON ROUGE, LA — June 13, 2018 — Gage, a leading managed technology services provider, announced today that the company received Technology Assurance Group's top award at the association's 18<sup>th</sup> Annual Convention event held in San Diego, CA in May.

Technology Assurance Group (TAG), an international organization of independently managed technology services providers in the United States and Canada representing \$350 million in annual products and services, selected Gage as the winner of the "Triple Crown Achievement Award" for exceptional economic performance and superior customer satisfaction. Gage was highlighted as a premier provider during a prestigious awards ceremony attended by TAG's Member companies and leading technology manufacturers.

The highly sought-after awards, which are given out annually, are based on overall financial performance, customer satisfaction, and the ability to provide customers with cost effective technology solutions. "In 2017, Gage experienced phenomenal growth that propelled them past the best companies in the industry," said Brian Suerth, President of Technology Assurance Group. "Gage's philosophy of providing technology solutions that increase their customers' profitability, improve employee productivity, and enhance brand image fueled the company's overall success. In addition to offering solutions with the purpose of accomplishing their customers' business objectives, they maintain a highly talented team of professionals that deliver world class service. Gage is an exceptional

Member that is dedicated to acquiring best business practices that continually improve their organization. It was our privilege to showcase such a fine company at our annual event.”

Greg Wood, President of Gage, accepted the award for the company. “We have built a great company with a solid reputation in our community over the years and it was a wonderful feeling to be recognized by TAG,” commented Mr. Wood. “Gage’ customer centric focus, as well as our ability to stay on the pulse of technology, have enabled us to become our customers’ trusted advisor. We attribute much of our success to the many benefits that we receive from our Membership in TAG. The organization enables us to quickly adopt new ways of doing business for the betterment of our customers and our people.”

### **About Gage**

GAGE is a full-service telecommunications and IT services company that has helped businesses since 1980. Founded in Baton Rouge, the company’s original mission continues today, which is to provide the very best products and services that enable its clients to increase their profitability, obtain a competitive advantage, and improve employee productivity. Gage has served the Louisiana business community for nearly 40 years through a culture of striving towards excellence and unparalleled commitment to customer service.

Gage works with companies of all sizes with business phone systems, computer networks, managed IT services, structured cabling and standby generators. The company conducts a complete needs analysis to ensure that each customer implements the right technology to meet their needs now and into the future. Gage has been recognized with numerous industry awards and has become one of the region’s leading technology services companies.
